

BDM PUBLIC SCHOOL

ANNUAL REPORT 2025 - 26

"Education is not merely the acquisition of knowledge; it is the development of character, values, creativity, and lifelong learning abilities. At BDM Public School, we strive to create an environment where every child is empowered to learn, grow, innovate, and succeed."

It is a matter of immense pride and privilege to present the Annual Report of BDM Public School, Meerganj, Bareilly, highlighting the school's accomplishments, achievements, educational initiatives, and developmental activities undertaken during the Academic Session 2025–26.

The session has been marked by academic excellence, co-curricular enrichment, sports achievements, scientific innovation, artistic expression, child-centric learning methodologies, and holistic personality development. The school remained committed towards nurturing responsible citizens equipped with knowledge, skills, ethics, and leadership qualities required to face future challenges confidently.

SCHOOL PHILOSOPHY

BDM Public School believes that education should inspire learners to become thoughtful, compassionate, disciplined, and responsible individuals. The institution focuses on creating a learner-centered educational environment that nurtures intellectual, emotional, physical, social, and moral growth.

The school functions with a vision of empowering children through quality education aligned with modern educational principles and contemporary learning approaches.

Vision

To develop responsible global citizens with strong moral values, critical thinking abilities, creativity, leadership qualities, and a lifelong passion for learning.

MISSION

- To provide quality education with academic excellence.
- To nurture holistic personality development.
- To promote creativity, innovation, and scientific temperament.
- To encourage experiential and competency-based learning.
- To strengthen physical, emotional, and mental well-being.
- To inculcate discipline, ethics, and social responsibility.
- To prepare students for future challenges through skill-based education.

ACADEMIC EXCELLENCE AND CURRICULUM IMPLEMENTATION

The academic framework of the school focused on competency-based learning practices and activity-oriented educational methodologies aligned with modern educational principles.

Teaching-learning strategies adopted during the session included:

- | | |
|-------------------------|---------------------------------|
| Experiential Learning | Continuous Assessment Practices |
| Activity-Based Learning | Digital Learning Resources |

Collaborative Learning
Inquiry-Based Learning
Classroom Discussions and Interactive Sessions

Project-Based Learning
Integrated Learning Approaches
Remedial Support and Individual Attention

Teachers ensured active participation of students through presentations, demonstrations, assignments, classroom activities, peer learning opportunities, and practical exposure.

Regular class assessments, periodic evaluations, project work, oral assessments, and revision plans were conducted to monitor academic progress and strengthen conceptual understanding.

Special emphasis was laid upon:

Foundational Literacy and Numeracy
Problem Solving Skills
Reading Habits
Logical Reasoning

Critical Thinking Development
Communication Skills
Writing Skills
Creativity and Innovation

FOUNDATIONAL AND KINDERGARTEN WING (PRE-NC, NC & KG)

The Kindergarten Department remained vibrant and activity-driven throughout the academic session. The objective was to provide joyful learning experiences through play-based methodologies and child-centric educational practices.

Activities organized included:

Theme-Based Learning Programmes

Students learned concepts through engaging classroom themes integrating language, numbers, colours, environment, and social awareness.

Colour Days Celebration

Special colour recognition activities were organized helping children identify colours through games, dress-up activities, creative tasks, and food exploration.

Summer Camp Programme

The school successfully conducted a Three-Day Summer Camp for Kindergarten students filled with exciting educational and recreational experiences.

Activities included:

Red Day Celebration
Red Fruit Juice Activity
Storytelling Activities
Pool Party
Coconut Water Activity
Bhelpuri Fun Activity
Fun Learning Games

Fruit Activities
Music and Dance Sessions
Creative Craft Activities
Rain Dance
Goa Theme Beach Party
Singing and Dancing Sessions

The Summer Camp promoted creativity, confidence building, teamwork, communication skills, and social interaction among students.

The school campus remained lively with enthusiastic participation from tiny learners who showcased confidence, excitement, and joyful learning spirit.

Science Exhibition

To encourage innovation, scientific inquiry, and research-based learning, BDM Public School organized a Science Exhibition during the session.

Students from various classes enthusiastically participated by preparing scientific models and demonstrations.

Exhibition themes included:

Environmental Sustainability
Renewable Energy
Smart City Concepts
Waste Management Systems
Agriculture and Environmental Protection

Water Conservation
Solar Energy Models
Robotics Concepts
Health and Hygiene Awareness
Technology and Scientific Innovations

Students presented working and non-working models displaying exceptional creativity and scientific understanding.

The exhibition successfully strengthened:

Scientific Temperament
Research Abilities
Team Collaboration
Problem-Solving Capacity

Analytical Skills
Critical Thinking
Communication Skills

Teachers guided students in preparing projects, conducting demonstrations, and explaining scientific concepts effectively.

Parents and visitors appreciated the enthusiasm and innovative spirit displayed by students.

Art Exhibition

The school strongly believes in nurturing artistic talents and creative abilities among students.

An Art Exhibition was conducted showcasing artistic excellence and creativity.

Student creations included:

Drawing and Painting
Craft Work
Decorative Art
Paper Folding Activities
Festival Art Displays

Sketching
Best Out of Waste Projects
Clay Modelling
Theme-Based Art Displays
Creative Wall Displays

The exhibition encouraged originality, imagination, visual communication, and aesthetic appreciation.

Students confidently explained their artwork and displayed remarkable creativity.

Annual Sports Meet

Sports and physical fitness remained an essential component of holistic education.

The school organized the Annual Sports Meet with enthusiasm, discipline, and sportsmanship spirit.

The event commenced with:

March Past
Oath Taking Ceremony
Opening Address

School Flag Ceremony
Warm-Up Activities

Various competitions conducted included:

Track Events
100 Meter Race
Sprint Competitions
Lemon and Spoon Race
Obstacle Race
Balance Race
Football Activities
Indoor Sports

50 Meter Race
Relay Race
Fun Activities for Junior Wing
Sack Race
Balloon Activities
Team Sports Activities
Cricket Activities
Team Building Games

Fitness Activities
Physical Fitness Exercises

Yoga Sessions
Recreational Sports

Students displayed discipline, determination, teamwork, and healthy competitive spirit. Winning participants were recognized and encouraged for their dedication and sportsmanship.

The Sports Meet promoted:

Physical Fitness
Teamwork
Discipline

Leadership Skills
Confidence Building
Mental Strength

Co-Scholastic Development

The school emphasized holistic development through multiple co-curricular initiatives.

Activities conducted included:

Debate Competitions

Poem Recitation

Dance Competitions

Role Play Activities

Poster Making

Educational Activities

Celebration of National Festivals

Mental Health and Student Wellness

Quiz Competitions

Elocution Activities

Singing Competitions

Creative Writing Activities

House Competitions

Cultural Programmes

Special Assembly Presentations

The school focused on emotional and psychological well-being through:

Counselling Support

Positive Behaviour Development

Health Awareness Sessions

Life Skill Development Activities

Special emphasis was laid upon building confidence, empathy, resilience, and social responsibility among students.

Value Education

Emotional Well-being Activities

Safety and Hygiene Programmes

Faculty Development and Professional Growth

Teachers continuously upgraded their teaching competencies through:

Training Workshops

Classroom Management Programmes

Child Psychology Sessions

Assessment and Evaluation Workshops

Educational Seminars

Competency-Based Education Training

Digital Learning Training

Faculty development ensured effective classroom delivery and enhanced educational quality.

Infrastructure Development

The school continued efforts towards strengthening infrastructure and educational facilities.

Focus areas included:

Classroom Learning Environment

Clean and Hygienic Campus

Sports Infrastructure

Library Facilities

Safety Measures

Drinking Water Facilities

Activity-Based Learning Spaces

Technology Integration

Parent Partnership

The school believes parents are valuable partners in education.

Regular Parent-Teacher Meetings were conducted to discuss:

Academic Progress

Behavioural Development

Attendance Monitoring

Learning Support Strategies

Holistic Growth of Students

Strong parent-school collaboration contributed significantly towards student success.

Achievements and Recognition

Students actively participated and excelled in academic, sports, cultural, artistic, and scientific activities.

The school proudly acknowledges the efforts of students, teachers, parents, and management whose dedication contributed towards another successful academic year.

Vote of Gratitude

BDM Public School expresses heartfelt gratitude to the Management Committee, Principal, Teachers, Non-Teaching Staff, Parents, and Students for their unwavering cooperation, commitment, and support.

Together, we continue moving towards educational excellence and holistic development.

"Every child is unique, every child is talented, and every child deserves opportunities to shine."
